Sir,

I have the honor to submit herewith a file of vernacular papers ending with Channarayapatna Taluk Amildar's report No: 366, regarding the grant of Survey No: 15 of Gyarahalli village, Gandi-Janahalli Hobli of the Channarayapatna Taluk.

2. During the Jamabandi of 1895-96 it was brought to the notice of the Jamabandi officer that 19 persons had unauthorizedly cultivated the lands, and the Jamabandi officer, Mr. Knight, ordered that they should be evicted.

3. The villagers subsequently urged that they had no house-sites to build upon

upon and the kittals attached to them

4. The Amildar reports that the land has been in possession of the villagers for a very long time and that they are not in need of this number for which it was reserved at the Survey Settlement as "Tummandé", as there are 4 gomal numbers measuring A G 175-36 in the village. He therefore recommends that the land may be included in the village site, as there are no house-sites available. As this is an unassessed waste reserved for a special purpose such as "Tummandé", I submit the case for the orders of Government under Section 39 of the Mysore Land Revenue Code neither an alienation Statement nor a gomal Statement has been submitted as the land in question is not an assessed waste or a gomal land.

I have the honor to be

Sir,

I have the honor to report that survey No 41, measuring 4 a — 3 g of Hirihalli Village, Hassan Taluk, was allotted during survey settlement for "Good Topi". The Villagers have failed to plant even though repeatedly urged. The Amildar reports that there is only one tree on the land and that the Villagers cannot be induced to utilize the land for the purpose for which it was originally intended. The Villagers have given their consent for the grant of the land for cultivation. After inspecting the land in person the Inamdary Officer is of opinion that
